

A&A TRADING LTD.

Tenures Engineer

A&A Trading Ltd is currently seeking a self-motivated and organized individual to fill the role of Tenures Engineer in our Campbell River office. In this primarily administrative role, you will be the driving force behind the permit applications required to execute the harvesting and road building activities for most of our Vancouver Island operations, as well as manage all of the company's small tenures (SUPs, Foreshore Leases, etc.). If you are an individual driven to learn, understand and participate in all aspects of forest management and operations, then A&A is an excellent place for you to further your career.

QUALIFICATIONS:

- A leader in safety and environmental stewardship.
- Minimum of 15 years of coastal forestry layout and permitting experience.
- A solid knowledge of applicable legislation and policies.
- Self-motivated team player possessing excellent communication skills with strong attention to detail and comfortable working in a team-based, results-oriented environment.
- Registered with the Association of British Columbia Forest Professionals

A&A Trading Ltd is an independently owned, fully integrated planning, harvesting and log marketing company based out of Vancouver and Campbell River with operations all along the BC Coast and Vancouver Island that strives to consistently produce high quality log products for our global customer base. A&A is committed to the well-being and professional development of our employees.

Please visit our website at <http://www.aatrading.com/> for more information on our company.

A&A offers a competitive salary and benefits package with the opportunity for annual performance bonuses. If you are interested in joining our team, please submit your resume and references to: jpollock@aatrading.com by December 8, 2017.

We thank all candidates for their interest; however only those selected for an interview will be contacted.
