

AV Terrace Bay is an exciting and innovative company, converting to the unique global market of viscose fibre. As part of the Aditya Birla Group, AV Terrace Bay's focus is to produce pulp products, with the intention of converting to specialty pulp products (dissolvable grade pulp) for the group's textile industry. The Aditya Birla Group is a 40 billion US\$ corporation in the League of Fortune 500 companies. With operations in 36 countries, the Group is anchored by an extraordinary force of over 136,000 employees, belonging to 42 different nationalities. In 2011, Aditya Birla was ranked fourth globally and first in the Asia-Pacific region, in the "top companies for leaders" study. More recently, the Group topped the Nielsen's Corporate Image Monitor 2012-13 and emerged as the Number 1 corporate, the 'Best in Class'. It is also ranked first in the production of viscose staple fibre textiles, worldwide.

Our Woodlands operations are based from the town of Longlac, which is part of the greater community Greenstone, Ontario. For more information about the communities of Greenstone and Longlac, please visit their website: <http://www.greenstone.ca>

Position location: Longlac, ON

AV Terrace Bay Inc. is currently recruiting for a **Forest Development & Engineering Supervisor**, to join its Woodlands division.

Job Description:

Reporting to the AVTB Forest Resource Manager, the successful candidate will:

- Conduct all resource management activities to ensure adherence with deadlines and budgets.
- Verify and maintain forest inventories for the development and implementation of annual operational harvest plans.
- Plan and develop forest access roads, water crossings and other related infrastructure.
- Support the long and short-term planning of operational harvest and road construction programs across multiple forests.
- Support the development of annual budgets for operational programs.
- Represent the Company interests in resource management planning processes with governments and stakeholders.
- Manage spatial datasets and produce map products.
- Ensure compliance and adherence to all statutory forest management and environmental requirements while performing all job duties in a safe and environmentally responsible manner.

Qualifications:

- Forestry Degree, Forest Technology Diploma or equivalent (Ontario RPF designation an asset)

- Minimum 3-5 years of resource management experience (familiarity with Ontario provincial forest management processes an asset)
- Strong written and oral communication skills
- Fluent in Microsoft Office
- Familiar with ESRI GIS software
- Must own vehicle and hold a valid driver's license

In addition to the challenge and opportunity associated with the position, AV Terrace Bay offers competitive salary and benefits. Applicants interested in working for a progressive, team oriented company should send their resume in confidence to:
