

AVISON MANAGEMENT SERVICES LTD.

Resource Management through Environmental Leadership

Silviculture Forester

Avison Management Services Ltd. is a well established and growing Environmental and Forestry Consulting Company with operations across British Columbia. We are currently seeking a Registered Professional Forester (R.P.F.) to join our team. This project management position will include both field and office-based work in all aspects of Silviculture.

The ideal candidate will have:

Qualifications:

- Professional Forester in good standing with the Association of BC Forest Professionals.
- Experience in all aspects of Silviculture management.
- Experience managing and conducting Silviculture projects and tracking Silviculture obligations in Cengea.
- Strong project management and client relationship skills.
- Strong report writing and verbal communication skills.

Responsibilities:

- Lead for Silviculture Department.
- Contract supervision, budget development and project management.
- Site plan preparation for variety of ecosystems (both field and office).
- Promote and support a safe work culture within Silviculture department.

Avison Management offers an attractive wage and benefit package to the successful candidate. If you fit these requirements and are looking for an opportunity to take your career to the next level please submit a resume and cover letter. All resumes will be handled in confidence and should be sent by email to: humanresources@avison.ca. Only those applicants selected for an interview will be contacted.
