

Where ideas work

**Ministry of Forests, Lands and Natural Resource Operations  
Burns Lake**

**Resource Manager**

**Salary \$72,000 - \$100,000 annually, plus an isolation allowance of \$35.88 bi-weekly**

**A rewarding leadership to contribute to effective natural resource management**

The Ministry of Forests, Lands and Natural Resource Operations is responsible for stewardship of Provincial Crown land and natural resources, and protection of B.C.'s archaeological and heritage resources.

As the Resource Manager with the Skeena Region - Nadina District, you are a member of a professional team responsible for natural resource management or infrastructure development (i.e., tenures, stewardship, range, engineering, water, lands, corporate services, First Nations and land information management). You set operational objectives, distribute resources, manage staff and oversee work activities. Applying your leadership expertise, you participate in a variety of initiatives to resolve difficult operational issues, address persistent problems or deficiencies in operational processes and implement changes.

You are an outstanding leader and team builder who can elicit excellence from their team while maintaining collaborative stakeholder/agency partnerships. You possess comprehensive understanding of natural resource management policy and issues, and have advanced project management expertise.

The Nadina Forest District is located on roughly 2.6 million hectares in north central British Columbia. As a high-volume district with significant mill capacity, we are a forestry hot spot with lots of opportunities and challenges. [Burns Lake](#) is the centre of the Lakes District, close to the middle of the province, and boasts some 4,828 km of shoreline and some of the province's largest freshwater lakes.

**Qualifications for this role include:**

- Related degree or diploma or equivalent.
- Experience in the supervision of multi-disciplinary operational staff.
- Experience developing and maintaining working relationships and resolving problems with stakeholders in natural resource management or infrastructure development.
- Valid B.C. driver's licence.
