

Where ideas work

**Ministry of Forests Lands and Natural Resource Operations – BC Timber Sales
Fort St John**

**Forest Technologist
Salary \$50,857.18 - \$57,781.28 annually**

Are you ready for the next step in your forestry career, surrounded by one of the most breathtaking landscapes BC has to offer?

As a registered forest professional, the Forest Technologist acts with specialized knowledge and training regarding the practice of professional forestry when performing a wide variety of functions including planning, engineering, timber sales and silviculture activities.

The BC Public Service encourages a healthy work/life balance that enables you to take advantage of the community and surrounding area in which you live. Northern B.C. offers a broad range of career and life options, and a bright future for you and your family! Consider this exciting opportunity to live and work in [Fort St. John](#), British Columbia. This community is surrounded by the beautiful panorama of the B.C. outdoors, offers year-round, unlimited outdoor activities, amazing cultural opportunities and a welcoming, small town atmosphere.

Qualifications for this role include:

- Graduation from an approved technical institute with a diploma or a degree in resource or forestry management
- Two years of experience in operational field forestry activities (such as timber harvesting cut-block development, forest road engineering, silviculture, harvest operations or compliance and enforcement).
- Or an equivalent combination of education or experience such as, five or more years of experience in forestry activities.
- Applicants must be registered or immediately eligible to be registered as a RPF or RFT with the Association of British Columbia Forest Professionals (ABCFP).
- Must possess at minimum a valid Class 5 B.C. Driver's License that does not limit or restrict the ability to conduct the duties of the job.
