cimco@centralinterior.ca

Central Interior Mapping Co. Ltd is a well established forestry management company based in Quesnel B.C. For 20+ years we have been providing professional timber and silviculture services to our clients and are looking for self-motivated and enthusiastic people to join our knowledgeable staff. Currently, we are seeking forestry assistants for our timber department.

Forestry Assistant/Compass Person

Duties may include assisting in the following:

- Timber reconnaissance and planning,
- Timber cruising,
- Road and cutblock layout, associated stream and riparian assessments
- SP data collection, riparian and stream assessments
- GPS traversing of roads and cut block boundaries
- Office reports and prescriptions
- Other duties as required

General Qualifications

- Valid class five driver's license with a clean driver's abstract
- Must be physically fit and be prepared to work outdoors in variable weather conditions
- Clear and legible hand writing and note taking, strong written and verbal communication skills and a sound attention to detail
- Works well in a crew with a clear understanding that safety is an integral part of the work environment

This position is full time with wages commensurate with experience.
