

coregeomatics

Creativity * Opportunity * Relationships * Excellence

CORE Geomatics is a professional geomatics firm that believes that the most valuable assets an organization has are its people. Our team members are dynamic, energetic, entrepreneurial and creative, but most importantly, they are the company. We lead the industry by adopting technologies and finding creative solutions that improve efficiencies and allow for a flexible work environment. Whether your career with CORE is in the field or in the office, you will find that we are adaptive to the ever-changing workplace. Currently, we have an opportunity for an

Forest Technologist (temporary)

The Work

- 2 positions (1 field supervisor, 1 assistant)
- Working primarily on forest mensuration projects including: PSP Measurement, data collection, and QA/QC.
- Potential for long-term employment for the right person, working on other environmental projects.

What You Bring to the Table:

- Self-motivated.
- Solid organizational skills.
- Recent experience in PSP measurements.
- Minimum of two years experience.
- Solid understanding of forest mensuration techniques and PSPs.
- Ability to work in all weather conditions.
- Must be a graduate from a recognized Canadian Forest Technology or Forestry Program.
- Member of good standing of CAPFT or CAPF.
- Must have valid first aid, bear aware and other safety certifications.
- Strong written and verbal communication skills.
- Reliable 4x4 Vehicle.

The Workplace:

This is a field position, which requires considerable time working in remote areas. Typical schedule is 10 days on 4 days off, and may require remote field camps. Potential for advancement and exposure to a wide variety of environmental projects for the right individual.

The Package:

- Day rates, plus meal allowance
- Competitive compensation for using your own vehicle, ATV or other equipment.

If you feel that this is the right challenge for you, and you meet these qualifications, please respond by sending your resume and cover letter to mark.cross@coregeomatics.com.

Attention: Mark Cross, Environmental / Regulatory Division Lead

***We thank all applicants for their interest; however only those selected for an interview will be contacted.
