

POP QUIZ

When looking for a trails position, which is most important:

- A) Building sweet flow trails,
- B) Working with a fun crew,
- C) Living & working in the best valley in B.C., or
- D) All of the above.

HELLO

How are you? We are super, thanks for asking. We love forestry and value success, respect and innovation above all else. If you like these sorts of things, then we will get along just fine.

If you are interested in any of these positions, please send your cover letter and resume in a single pdf file to this link <https://cabinforestry.bamboohr.com/jobs/>.

Add the name of position and "TRAILS" to which you are applying to the subject line. All submissions will be treated in strict confidence.

APPLY NOW

- > 2-3 years operating skid steer and mini excavator building parks and trails
- > Certificate of Qualification to operate heavy equipment
- > Super strong work ethic and team player
- > Super organized and easy to work with

WHY WORK WITH US

Well, mostly because we are so awesome. In all seriousness, we work in the best parts of the province - Okanagan, Boundary, Nicola and West Kootenays. We do a diverse range of work - plan, build and maintain trails, and we started a cool new company that flies drones. Most importantly, and top of our list, we foster a culture of **success, innovation** and **respect**. Please contact us if you have the skills listed in any of the sections.

COMPENSATION

- > Wage and biannual bonus based on experience, competency and length of service
- > Boot allowance, training and professional development allowance, extended medical and dental, RRSP contributions
- > Flexible holidays and 20 cm snow rule for winter shredding
- > Relocation Expenses (for Supervisor and Project Manager position only)
- > Valid Class 5 Drivers License and legally allowed to work in Canada
