

Harvesting Technician – Summer Term

Canadian Kraft Paper offers a work environment that promotes diversity, embraces change, and encourages continuous growth and development for every team member. We offer a workplace where everyone plays an essential role in the success of our Company and where individual efforts are acknowledged. If you thrive in a dynamic and challenging environment, we want you to be a part of our Team!

Our structure and culture encourages innovation, growth and change in an open environment, and we believe in and practice environmental sustainability.

POSITION OVERVIEW:

Under the direction of the Harvesting Superintendent, the Harvesting Technician will work closely with the Harvesting Supervisor in all aspects of harvesting and hauling, road layout and construction, and block layout in accordance with predetermined key production, safety and financial performance targets ensuring that all Company operations comply with government regulations.

QUALIFICATIONS:

- Successful completion of, or currently enrolled in a recognized Post-Secondary Forestry Program
 - Recognized programs include a Forestry Degree or Forestry / Resource Management Diploma.
- Related industry experience would be considered an asset.
- The successful applicant is required to be a self-starter with excellent organizational, problem solving, interpersonal and communication skills and must possess the ability to work with minimal supervision and changing priorities.
- The ability to pay keen attention to detail is essential and must have working knowledge of computer programs, including Microsoft Office and Arc GIS.
- The ability to work safely, alone outdoors in all weather conditions, in remote areas.
- The incumbent must be able to operate in a team environment as well as manage relationships with contractors, government agencies and other third-party stakeholders.
- This position requires overnight stays outside of The Pas.
- Valid Class 5 Driver's License.

LIVING IN THE PAS:

The Pas is one of the oldest and most striking settlements in Northern Manitoba. It is truly a place to call home for those that love the outdoors with an abundance of activities such as skiing, hiking, ATV and skidoo trails, camping, boating, hunting and fishing. In Manitoba, these are at their finest! Boasting one of the three true blue lakes in existence, Clearwater Lake's raw, natural beauty attracts visitors from around the world.

Learn more from the website at www.townofthepas.com about the wonders of The Pas, where the Northern Lights shine year-round.
