

## **QUALITY CONTROL MEASUREMENT TECHNICIAN – BIG RIVER, SK**

### **THE OPPORTUNITY:**

Located at the heart of Saskatchewan's forest industry lies Carrier Forest Products Ltd. We are a family-owned company with a corporate culture built on hard work, ingenuity and collaboration. At the forefront of innovation, we are pioneering technological advances in one of Canada's most stable & grounded industries.

### **THE QUALIFICATIONS:**

The Measurement Technician will be a detail oriented individual with a proactive attitude. They will have the ability to work well with others at all levels and should be a motivated self-starter who is comfortable working alone. This is a physical job working outdoors in all weather conditions.

The following qualifications are preferred:

- Skilled with relevant Microsoft Suite programs (Excel, Word, Access)
- Minimum 6 months experience in a mill or forestry setting
- Comfortable with technology and an aptitude for computers

### **THE DUTIES:**

- Monitors and measures the dimensions and quality attributes of logs delivered to the yard
- Compares dimensions and quality attributes of logs against both Woodlands contracts and Company log quality specifications
- Maintains records and statistics related to measurement and quality issues; and analyses data
- Assists in the continuing development of company log quality attributes and specifications, and recommends appropriate bonuses and penalties for logs not meeting the Company's standards.
- Assists the Woodlands staff in the operation of the scale
- Assists the Government Check Scaler as required, spreading or picking up scale loads with equipment.
- Weekend inventory counts of lumber and logs
- This position is a term contract

Interested candidates may submit a cover letter and resume to [resumes@carrierforestproducts.ca](mailto:resumes@carrierforestproducts.ca) or fax: 250-569-9371. Deadline to apply is August 31, 2017. We thank all those who apply, but only qualified applicants will be contacted. Salary is commensurate with experience.
