FORESTRY SUMMER STUDENT POSITIONS:

POSITION OVERVIEW:

Chartwell Consultants Ltd. is looking to fill multiple job opportunities for the 2018 summer field season. These positions will be based out of our North Vancouver and Chilliwack offices, with the possibility of a position in our Gibsons office. Applicants should expect a heavy field component in their duties, and must be willing to travel within the Province for extended periods (up to 10 days). Successful candidates will get hands-on experience in both Coastal and Interior forest engineering operations. Work terms of 4 or 8 months are available and would be under the supervision of one of our 17 ABCFP or APEG accredited members.

RESPONSIBILITIES FOR THIS POSITION MAY INCLUDE, BUT ARE NOT LIMITED TO:

- Field engineering / layout of cutblocks and roads
- Preparation of project deliverable documents for cutting and road permit applications
- Assisting with road inspection and deactivation prescriptions
- Powerline and Independent Power Producer (IPP) project assistance

QUALIFICATIONS AND REQUIREMENTS:

Preference will be given to applicants with field experience, though this is not a prerequisite. Experience in forestry engineering of cutblocks and roads for conventional and helicopter harvesting systems would be considered an asset. In addition, the successful applicants should demonstrate strong organizational skills, fit well into a team environment, and have a sound working knowledge of applicable computer software (Microsoft Office programs, RoadEng, iPad software, etc.).

ADDITIONAL INFORMATION AND APPLICATION:

Chartwell Consultants Ltd. offers a competitive salary that is commensurate with experience.

To apply, please forward a resume with cover letter to info@chartwell-consultants.com, by no later than October 31th, 2017.

We thank all applicants for their interest; however, only those selected for an interview will be contacted.
