Request for Proposal – Stump to Dump Harvesting Services

Conifex Inc. is seeking to hire a contractor to complete a non-replaceable harvesting contract in the Mackenzie Forest District. The contract would be to immediately harvest and deliver approximately 20,000 - 40,000 m³ in the Klawli operating area (~100km north of Fort St. James) using conventional CTL, ground based harvesting methods. This volume will be delivered on highway to Conifex's Fort St. James sawmill.

Contractors interested in submitting a bid proposal must have the following qualifications:

- SAFE Certification
- Documented recent work history
- References
