

Harvesting Supervisor

(Mackenzie, BC)

POSITION IS BASED IN MACKENZIE, BC NOT A REMOTE ROLE

Building a premier next generation forest company.

Conifex Inc. — through astute strategic acquisitions and strong leadership is emerging as a major player in the forestry, sawmilling, and biomass power industry. We value our people and take pride in our successes. Operationally, our approach is to blend technology with the expertise of committed, creative, excellence-oriented people.

CONSIDER THE LIFESTYLE

Mackenzie British Columbia offers a warm and welcoming Northern community with outstanding four season outdoor recreational activities, including fishing, hunting, an extensive all season trail systems, nearby ski hill, and recreational centre with pool and arena. A safe and secure family focused community, with excellent home affordability, modern schools, activity centers, and health facilities on your doorstep.

Investing in our People - Building our Team

Reporting to the Harvesting Superintendent, the Harvesting Supervisor is responsible for the supervision of our logging, construction, maintenance and log hauling activities required to ensure the timely delivery of logs and fibre to our sawmill. This is a challenging position and an opportunity to work in an innovative environment. Leadership experience is preferred; however, we are willing to invest in, and develop the right candidate.

Key Responsibilities:

- Overseeing all phases of timber operations, including road construction and maintenance, harvesting, hauling and post-harvest obligations
- Participate in the budgeting process as well the development of Annual Work Schedules and Annual Reports
- Implementing Conifex's operational safety, environmental and forest certification programs and ensuring compliance with plans and government regulations

Here's What We're Looking For:

- University Degree or Technical Diploma in Forestry or a related field, and be an RPF, RFT, or eligible to enroll with the Forest Professionals of British Columbia
- Minimum 2 years' experience across a spectrum of forestry work including cruising, planning, harvesting and silviculture
- Strong work ethic and love of the outdoors
- Excellent leadership and communication skills, project management skills, and an ability to work within a team environment
- Knowledge of applicable BC legislation and policies.
- Self-motivated team player with ability to communicate verbally and in writing
- Strong computer skills and aptitude for forestry-based technologies

Here is what we offer:

- The salary range for this position is between \$75,000-\$90,000.
- Comprehensive health benefit package, including an annual health spending allowance.
- Excellent Pension
- A wide range of career and professional development and training opportunities
- Flexible work hours
- A future which is supported by a robust timber supply
- The chance to live and work in an active and growing community offering the best aspects of small town life with a wide range of amenities, including superb outdoor recreational opportunities of all types, a recreational center (pool and arena), extensive all season trail systems, golf course, hospital, and nearby ski hill (Power King); all within a 2 hour drive of the city of Prince George, the University of Northern B.C, and an international airport.

We are building our team at Conifex. We value honesty, hard work, accountability, respect, trust, and safety. Just as we are investing in our mills we are investing in our people. Conifex offers respectable training as well as development opportunities.

Applicants will be accepted until the position has been successfully filled.

To apply please email opportunities@conifex.com directly or visit our website www.conifex.com and apply through the "Opportunities" tab.
