

Request for Proposal – Cable Harvesting Services

Established in 2008, Conifex Timber Inc. is a growth-oriented publicly traded Canadian company operating in two of the richest fibre baskets in British Columbia's northern interior. Conifex manufactures structural grade SPF dimension lumber and produces clean, renewable energy from our sawmill residuals.

Conifex is soliciting requests for proposal for the following services in the Mackenzie Division.

Description of Project:

Conifex Mackenzie is seeking to hire a contractor to complete a three-year non-replaceable stump to dump cable or winch assist harvesting contract in the Mackenzie area. The contract would begin the fall of 2018 and be up to 110,00m³/yr.

Interested contractors should provide the following to obtain an RFP package.

- A brief company description
- An outline of recent experience in cable or winch assist harvesting
- SAFE company Registration proof
- Company contact name and phone number

Additional information including block specifics is contained within the Request for Proposal package. Conifex may reject in whole or in part, any/and or all proposals for any reason after taking into account factors outlined in the RFP. Contractor proposals are to be submitted by **17:00 hours on November 30th, 2018**, either digitally to the below noted contact or to Conifex Mackenzie's office located at:

1 FFI Road, Mackenzie, British Columbia
