

Consus Management Ltd. is a multi-faceted consulting firm based in Williams Lake and specializes in the implementation and Project Management of various Silviculture programs, Timber Development Activities, and Utilities Contracts. This includes but is not limited to Silviculture Surveys, Site Preparation Supervision, Multi-Phase Timber Development, Environmental Monitoring, Stream Assessments, and Program management activities. Consus has been established since 2009 and has over 40 years of experience combined in the supervisory staff.

Consus Management Ltd. is currently seeking an experienced GIS technician for full/part time employment to work within an established GIS department for internal and proprietary purposes.

Qualifications:

Post-Secondary Degree or Diploma in GIS or related fields

Minimum 2 years' experience with ESRI ArcGIS suite and software tools in the fields of forestry mapping and GIS analysis.

Preference will be given to candidates with familiarity with BC's Forest legislation and Regulations.

Individuals with a working knowledge of the forestry industry with field experience and general understanding of GIS may also be considered

Recommended Assets:

Experience with ArcGIS online and the ArcGIS collector app

Experience with Cengea Resources or other resource management software

Experience with ESRI ArcGIS software including but not limited to ArcMap, ArcGIS Pro, and AppStudio for ArcGIS

Proficient knowledge of CAD software would be desirable

Experience with FME

Understanding and experience with BC MOF Results data entry an asset

Background with 3D visualization software (e.g. Visual nature Studio) is an asset

High attention to detail and the ability to work independently

Employment, role, and wages of the successful applicant will depend on experience and competency. Duties may vary based on current contractual obligations.

Application:

Please apply in confidence by e-mailing your resume and cover letter in PDF or Microsoft Word format with the subject header "Consus Employment – GIS Technician 2017" by June 30th 2017, addressed to humanresources@consus.ca, attention: HR Manager.

We would like to thank all applicants for their interest in the above positions however, only those considered for an interview will be contacted.
