

COPPER CANYON CONSULTING

Forest Engineering & Project Management

www.coppercanyon.ca

COPPER CANYON CONSULTING LTD is based out of Crofton on southern Vancouver Island, in the beautiful Cowichan Valley. From here we provide services to a diverse list of clients across the Island, the Mid-Coast, and into the Southern Interior. We offer a wide range of services including forest engineering and timber development, timber evaluation, and GIS/Mapping. We have a reputation for providing an excellent service and have long standing relationships with many of our clients.

We are seeking a **Senior Forest Engineer** to complement our **South Island Field Team**. Along with the list of requirements applicants should also possess the drive to thrive in a team environment, working with associates to achieve optimum results for our clients.

SENIOR FOREST ENGINEER

The successful applicant will be expected to lead forest engineering projects, supervise field crews, complete associated office work, and liaise with clients. Applicants must demonstrate the following requirements:

- Project management with an emphasis on forest engineering and timber development
- Minimum of 5 years of full-time equivalent forest engineering experience
- A sound knowledge of forest road design and construction
- A sound knowledge of coastal harvesting systems and engineering requirements

Additional Requirements

- Must be well organized, physically fit, have good communication skills and be self-motivated
- Excellent work references
- A valid BC driving license

Copper Canyon employees could live anywhere between Mill Bay and Nanaimo, which offer manageable commutes to the office or various marshalling points. These areas also offer the mildest climate year-round in Canada and fantastic recreation opportunities.

If you believe you possess the skills and requirements of this position please email your cover letter and resume, in confidence, to careers@coppercanyon.ca. Previous applicants are encouraged to contact us again.

Please note: We would like to thank all applicants in advance however, only those candidates considered suitable for the position will be contacted. Resumes will be accepted until January 19th, 2018.
