

Career Opportunity: Intermediate Forest Technician

Dunham and Assoc. is a consulting firm specializing in the resource sector. Our clients include First Nations, forest licensees, government and energy corporations. Located in beautiful, picturesque Chilliwack, B.C., in the affordable but amenity rich Fraser Valley this career opportunity offers a chance for an unbeatable work and personal life combination.

We have an immediate opening for an **Intermediate Forest Technician** who will carry out local work within the Fraser Valley with very little travel required. This is a full time position with benefits.

Candidates should have a technical diploma or degree in forestry or a related field and possess a minimum of two years experience in forest planning, coastal block and road layout and have a good understanding of applicable policy and legislation. Additionally, experience in timber cruising will be considered an asset.

Candidates should be physically fit and able to work well in a team oriented environment.

If you believe you possess the skills, qualifications and attitude we require, we would love to hear from you! Please submit resumes in confidence to:

Dunham and Associates Forest Professionals Ltd.

Email: info@dunhamforestry.com

Please note: All inquiry are confidential. We would like to thank all applicants in advance however, only those candidates considered suitable for the position will be contacted and resumes will be accepted until the position is filled.
