

Foothills Forest Products is a value added company specializing in dimensional lumber and pellets located in the front ranges of the Canadian Rocky Mountains. Foothills Forest Products maintains an SFI certification with an annual harvest of 450,000 m<sup>3</sup>.

### ***Term Position***

We are seeking an individual for a **6-month** term with the possibility of extension to assist our annual operation and planning programs. Under the supervision of Forest Professionals, the selected candidate will gain hands on experience in all fields of forestry.

The **primary functions** include, but are not limited to:

- Harvest and road design layout
- Reconnaissance (wood quality/volume)
- Harvest block/log quality inspections
- Assisting scaling operations
- GPS data collection
- Road/bridge maintenance projects
- Road Patrol

The ideal candidate will possess the following qualifications:

- Be enrolled in a Forest Science or Related post-secondary degree/ diploma program
- Enjoy working outdoors with a strong willingness to learn
- Possess a valid Class 5 driver's license and standard First Aid Certificate
- Prior Forestry experience (GPS navigation, surveys, layout, and supervision) is considered an asset.
- Familiar with ArcMap, MS Word/Excel

Foothills Forest Products is offering a competitive salary and **accommodations** to the successful candidates. If interested, please apply with your resume, cover letter and references by **January 26, 2018**.

All applications can be emailed in confidence to:

Graham Duckers, RPF  
gduckers@foothillsforestproducts.com

We thank all applicants in advance, however only candidates chosen for an interview will be contacted.
