

Human Resources Professional

A Richmond, BC based industry requires a part time Human Resources Professional. This is an ideal opportunity for a consultant with multiple clients or a semi-retired person who wants part time employment.

Services to be provided will largely involve the recruitment of production and maintenance personnel; advising management on human resources and safety issues; salary surveys and other external information gathering.

Candidates should have a successful career in human resources in an industrial environment. Forest industry experience is a significant asset but not essential.

Interested persons should forward resumes or for further information, please contact:
