

## Purchasing Agent

British Columbia based manufacturer of high quality forest products has a career opportunity for a professional purchasing agent. Reporting to the senior management, the incumbent will provide supply chain supervision including Purchasing; Strategic Sourcing; Supply Contract Management; Materials / Inventory Management; Logistics / Transportation.

Candidates will have a minimum of five years in purchasing in an industrial environment preferably within the forest industry. A professional purchasing certification (PMAC / SCMA) is preferred.

Location is the Lower Mainland Region of British Columbia, one of Canada's preferred residence areas offering the very best combination of lifestyle choices, educational facilities and weather.

Competitive remuneration and full benefit package is offered.

Interested persons should forward resumes or for further information, please contact:
