

Sawmill Maintenance Supervisor

Live the good life in British Columbia's beautiful Southern Interior. This community, just a short drive to Kamloops (population 91,000), provides the very best in rural lifestyle. Affordable housing; great primary and secondary educational facilities; friendly local services; and all surrounded by pristine lakes and abundant forests.

This modern two-line sawmill has recently undergone extensive upgrades. The company is seeking a high energy, team oriented leader to join the team as Maintenance Supervisor. While basic qualifications and experience are important, interpersonal leadership skills and style will be of primary consideration.

Interested persons should have the following basic qualifications:

- Electrical, Millwright or HD Mechanic trade qualifications or relevant Engineering Degree or Diploma
- Proficiency in Microsoft Word, Excel and Outlook
- Minimum two years in successful sawmill supervision
- Serious commitment to safety

The company provides:

- A competitive wage and benefits program
- A commitment to upholding high safety standards and respect for our employees
- A collaborative and respectful work environment
- A community focused employer

Interested persons should forward resumes or for further information, please contact:
