

Forsite Consultants Ltd., an innovative forest and land management company with 11 locations throughout Western Canada, has immediate openings in **100 Mile House** and **Kamloops** for Junior and Senior Development Technicians.

If you are a forest professional and live in or have a desire to relocate to 100 Mile House or Kamloops, then you will find these positions attractive.

### **Senior Development Technicians**

#### **POSITION OVERVIEW:**

Senior Development Technicians will be responsible for providing technical and supervisory expertise to project teams in all aspects (field and office) of multiphase timber development.

Under the direction of a Forestry Supervisor, Senior Development Technicians are responsible for forest development activities including road/cutblock layout, timber cruising and completing the associated plans and appraisal packages in a safe, timely, cost effective and professional manner. These positions generally involve both field and office duties.

#### **REQUIREMENTS:**

- Post-secondary education with a diploma or degree in forestry.
- Broad understanding of and experience in general forestry practices and operational forest planning.
- Registered with, or eligible to be registered with, the Association of British Columbia Forest Professionals.
- Minimum of 1 year of multiphase timber development experience in British Columbia.
- Proficiency in supervising technical assistants.
- Valid driver's license with a clean abstract.

### **Junior Development Technicians**

#### **POSITION OVERVIEW:**

Under the direction of a Senior Development Technician, Junior Development Technicians complete forest development activities such as road/cutblock layout, timber cruising, gps traversing and field data collection. These positions normally involve field duties.

**REQUIREMENTS:**

- Working towards, or already have, a post-secondary education with a diploma or degree in forestry.
- General understanding of forestry practices and operational planning.
- You are a hard worker with a strong desire to learn.
- Valid driver's license with a clean abstract.

**In addition, all candidates should demonstrate the following:**

- Enthusiasm and a passion for both forestry and working outdoors.
- A professional, friendly and courteous manner, being service & team oriented.
- Ability to work independently under limited direct supervision.
- Experience working outdoors in all weather conditions.

**HIGHLIGHTS:**

- Full-time permanent and seasonal hourly positions with overtime paid after 8 hours.
- Industry competitive remuneration package.
- Comprehensive benefits package with pension option.
- Dynamic, positive, team-orientated work environment.
- Excellent career growth opportunities.

**Only candidates selected for interviews will be contacted.**
