

Sr. Development Technician

100 MILE HOUSE, BC

Forsite Consultants Ltd., an innovative forest and land management company with 11 locations throughout Western Canada, has an opening in **100 Mile House** for a **Senior Development Technician**.

If you are a forest professional and live in or have a desire to relocate to 100 Mile House, then you will find this position attractive.

Senior Development Technician

POSITION OVERVIEW:

The Senior Development Technician will provide technical and supervisory expertise to project teams in all aspects of multiphase timber development.

Under the direction of a Forestry Supervisor, the Senior Development Technician will be responsible for forest development activities including road/cutblock layout, timber cruising and completing the associated plans and appraisal packages in a safe, timely, cost effective and professional manner. This position involves both field and office duties.

REQUIREMENTS:

- ▶ Minimum of 5 years of layout/project management experience.
- ▶ Post-secondary education with a diploma or degree in forestry.
- ▶ Knowledge of timber development, including harvest planning, road layout, and the ability to gather SP data and write reports.
- ▶ Registration with the ABCFP (or eligible for registration) as a professional forester (RPF) and/or forest technologist (RFT).
- ▶ Strong knowledge of legislative requirements in BC.
- ▶ Proven ability to provide supervision and mentoring to junior field staff.
- ▶ Knowledge and understanding of LiDAR and its field and office applications is preferred.
- ▶ Experience with timber cruising is an asset.

HIGHLIGHTS:

- ▶ Industry competitive remuneration package.
- ▶ Comprehensive benefits package with pension option.
- ▶ Dynamic, positive, team-orientated work environment.
- ▶ Excellent career growth opportunities.
