

Forsite Consultants Ltd., an innovative forest and land management company with 11 locations throughout Western Canada, has immediate openings at our **Campbell River** office for **Intermediate and Junior Field Engineers**.

If you are a forest professional and live in or have a desire to relocate to Campbell River, then you will find this position attractive.

REQUIREMENTS:

- Post-secondary education with a diploma or degree in forestry.
- Have a working knowledge of LiDAR and associated applications.
- Understand coastal silviculture and harvest systems.
- Knowledge of forest engineering and timber development, including road design and layout and harvest planning.
- Competent navigation and map reading skills.
- Dedicated to workplace safety.
- Physically fit.
- Experience working outdoors in all weather conditions.
- Eligible, or working towards eligibility, for registration with the Association of British Columbia Forest Professionals.
- Experience working with trucks and quads.
- Working around helicopters and crew boats will be expected.
- Valid driver's license with a clean abstract.

HIGHLIGHTS:

- Full-time hourly position with overtime paid after 8 hours.
- Industry competitive remuneration package.
- Comprehensive benefits package with pension option.
- Dynamic, positive, team-orientated work environment.

Only candidates selected for interviews will be contacted.
