

Duncan, BC **GIS Analyst**

Generous Forest Services (Genfor) is a forest consulting company with offices in Duncan and Port Alberni providing forest engineering consulting services to coastal British Columbia. Genfor clients include private land-owners, major licensees, First Nations and government agencies.

We are currently seeking a permanent full time GIS Analyst to join our team in Duncan on Vancouver Island.

Qualifications:

- Post-secondary education in forestry or resource management.
- Registered (or eligible) with the Association of BC Forest Professionals.
- Minimum 2 years of forest engineering experience.
- Working knowledge of forest engineering and timber development.
- Strong skills & knowledge working within Western Forest Products and TimberWest GIS systems.
- Experience with LiDAR, Trimble GPS technology and RoadEng.
- IT & network administration would be an asset.
- Excellent written and verbal communicator.
- Must be a self-motivator that is well organized.

Please apply in confidence by forwarding your resume and cover letter by email to:
inquiries@generousforest.ca

We would like to thank all applicants for their interest in the above position however, only those considered for an interview will be contacted.
