

Port Alberni, BC

Senior Forest Engineer

Generous Forest Services (Genfor) provides forest engineering consulting services to coastal British Columbia. Genfor clients include private land-owners, major licensees, First Nations and government agencies.

We are currently looking for an experienced Senior Forest Engineer to join our team in Port Alberni on Vancouver Island.

Responsibilities include:

- Ensure that all work is performed safely.
- Participate in or lead forest development projects.
- Manage resources to meet client needs.
- Supervise and lead assistant forest engineers.

Qualifications:

- Post-secondary education in forestry or resource management.
- Registered (or eligible) with the Association of BC Forest Professionals.
- Minimum 7 years of forest planning experience.
- Strong working knowledge of forest engineering and timber development, including cutting permit and road permit preparation.
- Experience with ArcGIS, GPS technology, RoadEng, and MS Office.
- A valid BC driver's license.
- Excellent written and verbal communicator.
- Must be a self-motivator that is well organized.

Please apply in confidence by forwarding your resume and cover letter by email to:
inquiries@generousforest.ca

We would like to thank all applicants for their interest in the above position however, only those considered for an interview will be contacted.
