

JOB POSTING

Job Title: Senior Manager	Employment Status: Permanent	Location: North Vancouver, BC
Service Area: Vegetation Management; Ecosystem Restoration		Closing Date: Open Until Filled

BACKGROUND:

Established by the Tsleil-Waututh Nation, Inlailawatash Limited Partnership (Inlailawatash) provides a range of integrated cultural and renewable resource services to Aboriginal and crown governments, private sector organizations, communities, and non-profit's. By placing the respect of Aboriginal and environmental values as the priority of our business, Inlailawatash is truly unique. Inlailawatash is a SAFE Certified company with a 10 year award-winning track record that has resulted in a reputation for delivering exceptional and trusted services to clients. Visit www.inlailawatash.ca for more details.

Inlailawatash has an established and highly regarded Vegetation Management program with an experienced team of Certified Utility Arborists, Apprentice Arborists and Saw Operators. Inlailawatash is a Primary Contractor for BC Hydro's Transmission Vegetation Management Program for the North Shore Region, operating between North Vancouver and Pemberton / D'Arcy.

JOB SUMMARY:

The Senior Manager will join a dynamic team of professionals and will be responsible for all operations of the Vegetation Management and Ecosystem Restoration Business Units of Inlailawatash, reporting directly to the CEO. The Senior Manager has a key role in particular in leading the Vegetation Management program, including supervising and mentoring staff and work crews, managing contractual obligations and client relationships, monitoring financial performance, developing proposals, leading projects, developing strategy, and driving business expansion. This role is primarily office based, but involves regular site visits in the field in inclement weather and remote access locations.

JOB POSTING

Job Title: Project Coordinator	Service Area: Vegetation Management & Tree Services; Ecosystem Restoration	Location: North Vancouver, BC
Employment Status: Full-Time Term Position (one-year term with potential for renewal)		Closing Date: Open Until Filled

BACKGROUND:

Established by the Tsleil-Waututh Nation, Inlailawatash Limited Partnership (Inlailawatash) provides a range of integrated cultural and renewable resource services to Aboriginal and crown governments, private sector organizations, communities, and non-profit's. By placing the respect of Aboriginal and environmental values as the priority of our business, Inlailawatash is truly unique. Inlailawatash is a SAFE Certified company with a 10 year award-winning track record that has resulted in a reputation for delivering exceptional and trusted services to clients. Visit www.inlailawatash.ca for more details.

Inlailawatash has an established and highly regarded Vegetation Management program with an experienced team of Certified Utility Arborists, Apprentice Arborists and Saw Operators. Inlailawatash is a Primary Contractor for BC Hydro's Transmission Vegetation Management Program for the North Shore Region, operating between North Vancouver and Pemberton / D'Arcy.

JOB SUMMARY:

This newly created position is intended to help Inlailawatash become an industry leader in the provision of Vegetation Management & Tree Services and Ecosystem Restoration. Inlailawatash has an established and highly regarded Vegetation Management program with an experienced team of Certified Utility Arborists, Apprentice Arborists and Saw Operators. Inlailawatash is a Primary Contractor for BC Hydro's Transmission Vegetation Management Program. Our Vegetation Management crews work year-round across the North Shore Region from North Vancouver to Pemberton / D'Arcy.

The Project Coordinator will work with Inlailawatash management to ensure effective management and coordination of the Vegetation Management program and provide ongoing support in managing a range of projects within the Ecosystem Restoration program.
