**Request for Proposal** – Conventional Cut to Length Stump to Dump Harvesting Services

Interfor Corp. is seeking to hire a contractor to complete a non-replaceable harvesting contract in the Selkirk District – West Kootenay's. The contract would be to immediately harvest and deliver approximately 30,000 - 50,000 m<sup>3</sup> in the Grand Forks operating area. This volume will be delivered on highway to Interfor Corp.'s mills in Grand Forks and Castlegar.

Contractors interested should be prepared to submit:

- SAFE Certification Registration
- Documentation of recent work history
- References

Please submit expressions of Interest to:
