

Intermediate to Senior Forest Engineer

Iverson Forest Management Inc. is looking for driven, motivated Intermediate and Senior Forest Engineers to join our **Cowichan Valley Team**.

As a Forest Engineer, you will be working on local projects on a regular, full time basis, Monday to Friday, coming back to the office every afternoon. You will be an integral member of our team, responsible for layout of cutblocks and roads for public and private land logging operations, and completion of related office work. Other duties include crew supervision, client liaison and implementation of our safety program throughout your work activities. We operate in a dynamic environment, and periodic camp work may be required for the above position depending on client needs.

IFMI was established in 1990 and has a proven track record in providing multi-phase harvest solutions on Vancouver Island and the Lower Mainland. Today we offer a full range of Forest Engineering, Standing Stem Harvesting, Private Property Resources Management, and Fire Fighting services. Our company provides a wide array of services to Industry, Government, and First Nation Clients. We take pride in delivering quality services to our clients, in a safe and efficient manner, while fostering a team oriented environment. Iverson Forest Management's headquarters is located in the beautiful Cowichan Valley.

The ideal candidate will possess the following qualifications:

- Post-secondary degree or technical diploma in forestry; with registration (or eligibility for registration) with the ABCFP;
- Minimum of 3 years forest engineering experience;
- Solid working knowledge of forestry legislation and regulations in B.C. (e.g. FRPA, Forest Act etc.)
- Proficiency with computer software including RoadEng, Word and Excel;
- A valid BC driver's license;
- Good communication skills and experience in crew supervision;
- Knowledge of GPS surveying techniques and GIS software is an asset.

We are looking for an individual with a commitment to maintain a high level of safety, efficiency and quality in all aspects of work, and who are willing to learn.

***We offer competitive wages, a comprehensive benefits package,
and the opportunity for career advancement.***

We would like to thank all applicants; however only those considered for an interview will be contacted.
