

Forest Technologists and Field Foresters

KDL Group is one of Northern BC's largest Integrated Forest Management companies, employing over 150 people, sub-contracting an additional 40+ companies, and offering an impressive array of forestry opportunities. We are a dynamic, growing, and most of all, fun logging/forestry company. Our Woodlands Division manages a range of forest licenses within the Fort St. James and Mackenzie Forest Districts. These licenses include the Fort St. James Community Forest, First Nations joint ventures, woodlots, and non-replaceable forest licenses.

Position Overview:

KDL Group has immediate openings for **Forest Technologists and Field Foresters** in Fort St. James. These year-round, full-time, salaried positions consist of primarily fieldwork responsibilities. Work is located throughout the Fort St. James and Mackenzie Forest Districts and involves both town and camp work. Successful applicants will gain a wide range of experiences working in our diverse forestry department.

Responsibilities Include:

- Cutblock and Road development
- Timber reconnaissance
- Riparian classification
- Stream classification
- Timber cruising
- Safe ATV and snowmobile operation
- SP Data collection

Skills & Requirements Include:

- 2+ years' experience preferred
- Technical forestry diploma or degree is an asset
- Preference given to those able to register with ABCFP
- Valid class 5 driver's license required
- Physically fit to endure the rigors of full-time field work in all conditions
- Able to work cooperatively in a team, but also independently with little supervision
- Safe work mindset is required

What KDL Group Offers:

KDL Group offers a competitive salary that will commensurate with experience, and excellent group benefits (disability and life), extended health benefits (dental, vision, prescription plans, paramedical, plus more) and pension contributions. Professional development is encouraged, and professional fees are paid by the company. We offer flexible holidays and encourage work-life integration and offer personal time off to help maintain balance.

Fort St. James is located in the Interior of British Columbia, close to Prince George. Known for its grand lake, historical site, and ski area, Fort St. James has a bounty of outdoor activities available to its residents and visitors. These activities include an abundance of hiking, biking, skiing, running, ATV, snowmobile, and horseback riding trails. All season fishing and climbing opportunities are available at the many local lakes, streams, rivers, and mountains. For more information please check out: <http://www.fortstjames.ca>.

How to Apply:

This competition will remain open until the positions have been filled. Apply today by emailing your resume to mreidlinger@kdlgroup.net, subject: Forestry. We thank all candidates who apply; however, only those selected for an interview will be contacted. Only those applicants eligible to work in Canada should apply.
