Duties Include

- Supervision of full phase logging, road building, and log hauling.
- Report directly to Log Superintendent.
- Road / Harvest Safety
- Implement Interfor Log Quality program
- Environmental management system monitoring and tracking.
- Administrative responsibilities to plan and implement harvesting operations.

Preferred Qualifications

- Minimum 4 years' experience in a similar capacity within the forestry industry.
- Must be RPF or RFT registered or eligible to register with the Association of BC Forest Professionals.
- Background in harvesting supervision, cut block layout, cruising and/or scaling.
- A working knowledge of road and bridge construction would be considered an asset.
- Strong computer skills and related software knowledge including forestry applications.
- Dependable and high level of physical fitness.
- Provide strong safety leadership and the ability to identify and reduce risk throughout operations.
- Demonstrated interest and aptitude in innovation, harvesting techniques, road and bridge construction, and log quality.
- Ability to develop and maintain effective relationships with contractors, suppliers, First Nations and stakeholders.
- Excellent Interpersonal and Communication Skills and ability to work effectively in a highly Interactive / Energetic Team Environment.
- Detail / Results Oriented.

Compensation

Salary- \$32 to \$36 hourly for 40-60 hours per week depending on experience, qualifications and proven abilities.

Interested applicants should submit a cover letter and resume in confidence to longline@shaw.ca .

Only those applicants selected for an interview will be contacted. We wish to thank you for expressing an interest in our company.
