

## **ASSISTANT FOREST ENGINEER REQUIRED**

**Meridian Forest Services Limited**; a leading forestry management and consulting company based on Vancouver Island British Columbia is currently requiring an **Assistant Forest Engineer** to fill an available position. We have a large diversity of contracts with major tenure holders throughout Vancouver Island. We strive to provide safe, quality, efficient and professional forestry services for both the Private and Crown sectors of British Columbia's forest industry.

The successful candidate(s) must be a team player who is focused on personal safety, quality and achieving productivity targets. You will be part of a team working from the total chance planning phase through to final block layout and design for all coastal harvest systems.

All Applicants must be able to demonstrate the following:

- Post secondary degree or diploma in Forestry or significant directly related experience.
- Be an active member of the ABCFP or be eligible for registration with the ABCFP.
- Experience with Trimble GPS, Roadeng & ArcMap software.
- A valid BC driver's license.
- Assistant Forest Engineers must demonstrate a minimum of **two** years BC Coastal forest industry experience.
- Reside in the south central area of Vancouver Island (Courtenay, Oceanside, Nanaimo or in the Alberni area).

Meridian offers a great working environment with a large diversity of work and clients. We pay competitive salaries, offer a benefit package, and camp incentive program.

If you have a great work ethic and are interested with a great group of people then Meridian is for you. Interested applicants should submit a cover letter and resume in confidence to [info@meridianforest.ca](mailto:info@meridianforest.ca).

Only those applicants selected for an interview will be contacted. We wish to thank you for expressing an interest in our company.
