

Grow with us.

Millar Western is a progressive forest company offering diverse, rewarding careers in great Alberta communities, with excellent advancement opportunities and a healthy work-life balance.

Land-use Administrator

Millar Western's Whitecourt, Alberta Woodlands Division is seeking a highly skilled and motivated professional to serve as Land-Use Administrator. Reporting to the Operations Superintendent, the successful candidate will be responsible for road-use and land-use related initiatives including the administration, monitoring and reporting of third party activity within Millar Western's area of interest. In addition to reviewing and/or submitting requests for road use and land use the position involves providing consent to third party plans according to company expectations.

The Land-Use Administrator will also work closely with the planning, operations, and silviculture departments to ensure that all activities meet internal, government and/or third party requirements. All activities will be completed in a safe and cost effective manner, while meeting the requirements of our EMS and other certification programs.

The ideal candidate

Qualified candidates must have strong verbal and written communication skills as well as detailed organizational skills. A post-secondary education in forestry, knowledge of land management, road use administration, and ARC GIS will be considered assets.
