

## EXCELLENT PEOPLE MAKE EXCELLENT BUSINESS

Norbord is the leading global OSB manufacturer our success comes from hiring skilled and talented team members in all areas of our business. We are dedicated to developing and retaining a strong and committed workforce that ensures we remain at the front of manufacturing excellence. At Norbord we are committed to teamwork and safety without compromise. We are currently seeking an exceptional individual for the following vacancy:

### WOODLANDS SUPERVISOR – BARWICK, ONTARIO

Reporting to the Woodlands Manager, the Woodlands Supervisor will be a critical component to the Barwick Woodlands team with a strong focus on contract management, wood procurement and delivery strategies for the field delivery of wood fiber in a safe, environmentally sound, efficient, cost effective and timely manner to supply the requirements of the Barwick OSB plant. Experience, flexibility, accountability and the ability to define and deliver on objectives in the best interest of the company's wood requirements are crucial to this role.

This position has responsibility for delivery and performance in the following functions: direct contract administration and management, wood supply identification, analysis and procurement, environmentally sound forest harvesting practices, safety programs associated with forest operations, adherence to all applicable regulations, interaction with 3rd party management groups to ensure our wood interests are being protected, development, communication and monitoring of a wood quality program considering mill needs, annual fiber flow planning considering safety, budgeting, cost control, crown supply agreements, logyard and inventory management, private woodlot program development, purchase wood, major licensee relations, government relations and forest resource public relations, and a minor role in forest management planning.

The ideal candidate must have excellent interpersonal skills; the ability to work in a team environment with people of different backgrounds; strong analytical and organizational skills; an understanding of current technologies, and a high energy and commitment level. Preference will be given to individuals who are eligible or are currently members of Ontario Professional Forester Association or with at least 2 years of related forestry experience. Candidates with other post-secondary education credentials and employment experience in related fields may be considered. A current Class G driver's license is required. Proficiency with LIMS, GIS products, and MS Office applications would be considered an asset.

#### Benefits

- Competitive salary based on education/experience
- Vehicle Allowance
- Defined Contribution Plan
- Health, dental, and vision plan
- Life insurance
