

EXCELLENT PEOPLE MAKE EXCELLENT BUSINESS

Norbord is the leading global OSB manufacturer. Our success comes from hiring skilled and talented team members in all areas of our business. We are dedicated to developing and retaining a strong and committed workforce that ensures we remain at the front of manufacturing excellence. At Norbord we are committed to teamwork and safety without compromise. We are currently seeking an exceptional individual for the following vacancy:

4TH CLASS POWER ENGINEER(S) – HIGH LEVEL, ALBERTA

Reporting to the Chief Power Engineer, the Day Shift Energy Operator (4th Class) will be responsible for the safe, efficient, and cost effective operation of the energy area.

Duties and responsibilities include working closely with a highly qualified team of energy operators, maintaining maximum uptime, maintaining open communications with production personnel, and active participation in the operation's efforts towards safety, continuous innovation and process improvements initiatives.

The Day Shift Energy Operator must be a fourth class power engineer, must have a strong commitment to safety and to the success of the operation, and possess excellent interpersonal and communication skills. Experience in OSB operations and thermal oil energy systems would be an asset.

Norbord offers a competitive salary and comprehensive benefits package.

Interested applicants should send their letter of application and current resume to:

Email: greg.cox@norbord.com
Fax: 780 841 3662

Mall: Norbord Inc.
P.O. Box 1856
Hwy 35 South
High Level, AB T0H 1Z0

We would like to thank all applicants for their interest; however, only those candidates selected for an interview will be contacted.
