

EXCELLENT PEOPLE MAKE EXCELLENT BUSINESS

Norbord is the leading global OSB manufacturer. Our success comes from hiring skilled and talented team members in all areas of our business. We are dedicated to developing and retaining a strong and committed workforce that ensures we remain at the forefront of manufacturing excellence. At Norbord we are committed to teamwork and safety without compromise. We are currently seeking an exceptional individual for the following position:

OPERATIONS SUPERVISOR

100 Mile House, BC

Reporting to the Operations Superintendent, the Operations Supervisor is responsible for planning, scheduling and supervising the delivery of logs to Norbord's 100 Mile House OSB plant.

Key roles of this position may include but are not limited to:

- Supervising Norbord's Crown timber harvesting program to achieve safety, production, log cost, log quality and environmental objectives
- Overseeing all phases of timber operations, including road construction and maintenance, harvesting, hauling and post-harvest obligations
- Establishing contract harvesting, hauling and equipment rates
- Implementing Norbord's operational safety, environmental and forest certification programs and ensuring compliance with plans and government regulations
- Preparing annual and periodic operations schedules, budgets and forecasts
- Liaising with government agencies, First Nations, public and stakeholders regarding Norbord's timber operations
- Working closely with a team of dedicated forest professionals to meet Norbord's objectives for BC Woodlands

The ideal candidate has strong analytical, organizational and communications skills, a high energy and commitment level and the ability to work effectively in a team environment. Previous supervisory experience and familiarity with information management systems are assets. Preference shall be given to graduates of an accredited forest related post-secondary program.

Please submit your letter of application and resume, in confidence to:
