

EXCELLENT PEOPLE MAKE EXCELLENT BUSINESS

Norbord is the leading global OSB manufacturer our success comes from hiring skilled and talented team members in all areas of our business. We are dedicated to developing and retaining a strong and committed workforce that ensures we remain at the front of manufacturing excellence. At Norbord we are committed to teamwork and safety without compromise. We are currently seeking an exceptional individual for the following vacancy:

PRODUCTION TEAM LEADER - BARWICK

Reporting to the Production Manager, the Production Team Leader's primary responsibility is the safe and efficient production of quality OSB products through effective leadership. The Production Team Leader is responsible for measuring and communicating operational efficiency through statistical process control techniques. Other responsibilities include but are not limited to the following:

- Actively leads safety awareness through effective toolbox talks and daily safety discussions.
- Ensuring that good housekeeping and safe work practices are followed in all work areas, by routine auditing of compliance.
- Identifying potential causes of accidents, conducting safety and housekeeping inspections, and resolving individual and team problems.
- Providing overall direction, coordination, and evaluation of all production team members and carries out leadership responsibilities in accordance with the organization's policies and applicable laws.
- Training, developing and implementing cross training for team members.
- Conducting yearly performance appraisals of team members
- Distributing work orders directly to those assigned to perform the task within the production team.
- Interfaces with the Maintenance Department on any jobs affecting the production schedule.
- Cooperates with the Shipping Team Leader in adhering to the production schedule.
- Supporting and providing input in the development of standard operating procedures.

This position requires a minimum grade 12 diploma or equivalent and 3-5 years of supervisory experience. Previous experience in OSB or manufacturing will be given preference. Strong interpersonal and communication skills are required in this team environment. Good computer skills and experience working in Excel, Word, and Outlook are an asset.

Benefits

- Competitive salary based on education/experience
- Defined Contribution Pension Plan, health, dental and vision plan, life insurance
