Operations Forester / Supervisor

About Us

NorthPac Forestry Group was formed in 2018 as a merger between Alcan Trading Ltd and Brinkman Forest Ltd. NorthPac Forestry Group Ltd. is a fully integrated forestry company, engaged in all aspects of forestry from planning through to the delivery and sale of logs to domestic and overseas customers and markets. With an annual volume under management of approximately 500,000 m³ and expanding opportunities in forestry and energy sectors in Northwest B.C. we are looking to grow our team.

At NorthPac Forestry Group Ltd. we value our talent. We are committed to empowering every member of the team by leveraging their individual strengths and creativity. Critical to maintaining our successful relationships with partners, industry proponents and clients around the world, we work intently on growing a diverse, inclusive and engaged workforce by embracing the diversity of human experiences, backgrounds, mindsets and cultures.

Position Overview

Reporting to the Director - Operations in our Terrace, B.C. office, this position will play a key role in execution of operational plans for harvesting and road construction. Key responsibilities include, but are not limited to:

- Overseeing the execution of harvesting and road construction projects in alignment with company plans and objectives, contracts, forest legislation requirements and safety policies and procedures
- Manage contractors/consultants involved in forest operations to achieve department objectives in a manner that meets company production and budget targets and quality standards.
- Ensure all operational post-harvest obligations are completed
- Complete harvest inspections and monitor log quality.
- Conduct and oversee road and bridge inspection

Qualifications:

- 3+ years' experience in forest or related natural resource field with a focus on operational planning and supervision
- Undergraduate degree or technical diploma in forestry or natural resources field is preferred
- Registered, or eligible for registration with the Association of BC Forest Professionals (RPF, RFT)
- Knowledge of regulatory framework, including the Forest and Range Practices Act, Forest Act, and other relevant legislation and forest policies
- Intermediate skills with Word and Excel
- Ability to keep excellent records and documentation
- Effective communication and interpersonal skills

This position will require travel within our large geographic operating area. Candidates must be trustworthy, cooperative, punctual and respectful and possess the desire to perform quality work while interacting with others in a professional manner.
