

NovaFor Forest Services Ltd. is currently seeking engineering and forestry professionals to join our team in beautiful Port Alberni, British Columbia

Employment Details

Diverse employment opportunity in all phases of forest management, from planning to contract supervision of forest engineering, silviculture, and logging crews. We offer a competitive salary with use of a company vehicle, radio, SPOT, IPAD, and all necessary safety equipment.

Port Alberni is a great place to live with world class fishing, hunting, backpacking, boating, and surfing at your doorstep.

Interested candidates may apply in confidence by forwarding a cover letter and detailed resume to:

ben.durkan@novafor.co (subject: Job Posting)

The successful candidates will be responsible for all aspects of project completion including but not limited to:

- Cutblock engineering, cruising and mapping
- Road & Cutting Permit review and submission
- Site Plan documentation and mapping
- Forest Stewardship Plan development
- Silviculture surveys and supervision of forestry crews
- Maintaining all silviculture liabilities and database maintenance for multiple licencees including RESULTS updating
- Proficiency in computer use with familiarity with Microsoft programs is essential
- A working knowledge of Roadeng, Arcmap, Cengea, LIDAR, and GPS software is preferred
