CUT BLOCK LAYOUT STAFF POSITIONS (Available Immediately)

Par4Inc is an environmental consulting company based out of Edmonton that has been operating since 1998. Our services include that full range of operational planning and associated field work.

We are currently looking for field staff for primarily cut block layout. Experienced workers are preferred but we are also willing to invest in training new staff.

Qualifications:

- Forest technician or forester preferred
- Cutblock layout experience is an asset
- Willing to work alone but generally in close proximity to other workers.
- Willing to work under adverse weather conditions
- Quad and snow mobile experience is an asset
- GPS experience is an asset
- Valid class 5 is required
- Computer proficiency is an asset.

Wages:

Wages are production based with minimum production targets of \$200 - \$275 / day. Starting wages are based on experience and training. The normal working hours are 10 hours / day. Shifts are normally 10 and 4 but can sometimes be 5 and 2. We are also open to flexible times.
