

**ProFor Consulting Ltd.** is a small forestry consulting company based out of Nanaimo specializing in the planning and management of silviculture projects. We have been in operation since 2007 with an established client base. Our primary areas of operation are located on south-central Vancouver Island.

## **Position: Junior-Intermediate Silviculture Forester/Technician**

### **Key Duties:**

- Surveys involving data collection related to silviculture, forest inventories, forest health and forest fuel management
- Contributing to the planning, management and supervision of silviculture projects which include seedling planting, brushing & weeding, pruning and site preparation
- Post survey and treatment data entry using Cengea Forest-Resources
- Preparation of project treatment maps and inventory updates using ArcGIS and Cengea Forest- Resources
- Monitoring of silviculture and salvage contractors to ensure client safety and environmental standards are met

### **Qualifications:**

- Candidates must be physically fit as this position requires a significant amount of field work
- Must be very safety conscious
- Have a high level of commitment with a positive attitude and solid work ethic
- Have a minimum of 1 year of survey experience in B.C.
- Registered or eligible for registration with the ABCFP as a RPF or RFT
- Must have a valid BC class 5 driver's license without restrictions and have experience driving a 4x4 vehicle in off highway conditions
- Self-motivated and independent but with the ability to also work well with others in a team environment
- Proficient with computer and tablet applications
- Silviculture Surveyor accreditation an asset

Day rate salary is commensurate on qualifications and experience. Applications will be accepted until the position is filled. We thank you for your interest but only those candidates selected for an interview will be contacted. Please email your resume and cover letter in a Pdf or Word format to both addresses listed below.
