## **Request for Proposal Logging Contractor**

March 23<sup>th</sup> 2018

Conifex Timber Inc was established in 2008 with the objective to build a premier, next-generation forest company that is a leader in responsibly maximizing fibre value. We currently operate three sawmills; in Mackenzie and Fort St James B.C. and one in El Dorado, Arkansas and a Wood-waste Bioenergy Power Plant in Mackenzie as well.

### **Description of Contract**

Currently our Mackenzie operation is seeking to hire a stump-to-dump cut-to-length logging contractor to commence work in June 2018. Contract would come with a 3-year term and approximately 200,000m<sup>3</sup> annual harvest.

Summer operations will be based out of our Osilinka and Omineca Camps on the Williston Reservoir. Winter operations are mainly based out Mackenzie, B.C. and are direct haul to the Mackenzie millsite.

In order to qualify for consideration applicants will need to submit:

- SAFE Certification
- Description of your company and its capabilities
- Recent work history
- References

Open to discussing smaller steep slope/cable opportunities as well.

Submit proposal to:

Jeffrey Rensmaag, Operations Superintendent
