

Renewable Forest Products Inc. is one of the largest logging companies operating in Northwestern Ontario and is presently seeking candidates for the following position:

Logging Supervisor

PRIMARY LOCATION: Thunder Bay / Northwestern Ontario

PRIMARY FUNCTION:

As a member of the Renewable Forest Products team the successful candidate will be responsible to manage activities within an assigned geographic area ensuring fibre harvest management, production targets, timelines and regulatory obligations are met to deliver the harvested volumes to the identified manufacturing facility while fulfilling these objectives in a safe, efficient, cost-competitive and quality-conscious manner.

Your Challenges:

- Ensure activities are conducted in compliance with all applicable Occupational Health and Safety Requirements, forestry legislation, company environmental policy, and Forestry Management System.
- Direct Operations Supervision; manage all activities associated with harvest production
- Coordination of fibre truck delivery, schedule manpower, and organize other related tasks
- Block layout and road location and the ability to use GPS and compass to complete these tasks
- Adaptable to change and can manage multi activities that may include road construction, maintenance and deactivation,
- Scheduling equipment maintenance / troubleshooting problems and coordinating repairs
- Tracking quality, cost, and delivery results.
- Able to work in remote camps and flexible work arrangements.

Your profile:

- 3 to 5 years relevant experience years' experience in a variety of forestry related fields;
- Minimum education – Forest Technician or Forester

Your assets and skills

- Excellent interpersonal skills with the ability to work as part of a team, to communicate with all levels of the organization and to adapt quickly to change.
- Strong analytical, organizational and problem solving skills.
- Knowledge of Excel, Word, and U.S.W Union Collective Agreement would be considered an asset.
- Class G driver's license in good standing;
