

### Senior and Intermediate Forest Engineers Required

*Renewable Forest Services Ltd.* is a forest consulting company based out of Campbell River, British Columbia. We are the second largest consulting firm on Vancouver Island. We provide our clients with top quality personnel who focus on achieving a high level of quality production in the safest manner possible. We provide our employees a safe, productive and professional environment. We are the top paying forest consulting firm on the coast, also providing benefits and flexible work schedules.

*Renewable Forest Services Ltd.* is currently seeking permanent full-time senior, intermediate, and junior forest engineers to start work immediately. These positions will require individuals to work in camp.

#### Senior Forest Engineers:

- Minimum 5 years of experience in layout and design of conventional and helicopter based harvest systems. Must be familiar with EBM.
- Experienced in Road Permit and Cutting Permit preparation.
- Possess a technical diploma or degree in forestry or have significant experience in this field.
- Have the ability to organize and supervise crews of various sizes.
- Able to communicate and work well with others in a professional environment.
- Need to be in good physical condition.
- Current knowledge of Roadeng, Trimble GPS operation, Microsoft Word and Excel.
- Valid driver's license

#### Intermediate Forest Engineers:

- Minimum 3 years of experience in layout and design of conventional and helicopter based harvest systems.
- Experienced in Road Permit and Cutting Permit preparation.
- Possess a technical diploma or degree in forestry or have significant experience in this field.
- Have the ability to train and lead junior engineers.
- Able to communicate and work well with others in a professional environment.
- Need to be in good physical condition.
- Current knowledge of Roadeng, Trimble GPS operation, Microsoft Word and Excel.
- Valid driver's license

For those with a year or less of forest engineering experience, *Renewable Forest Services Ltd.* is also looking to fill Junior Forest Engineer positions. Although experience is an asset, we are willing to train the right individuals.

Please submit your cover letter and resume, with references, in confidence to Renewable Forest Services Ltd. email: [r-f-s@telus.net](mailto:r-f-s@telus.net) Only short listed applicants will be contacted.
