

Intermediate and Junior Forest Engineers Required

Renewable Forest Services Ltd. is a forest consulting company operating in all areas of Vancouver Island. We provide our clients with top quality personnel who focus on achieving a high level of quality production in the safest manner possible. We provide our employees a safe, productive and professional environment. We compensate our staff with the industry's top wages, benefits, and flexible work schedules.

Renewable Forest Services Ltd. is currently seeking permanent full-time intermediate and junior forest engineers to start work on one of our South Island projects.

Intermediate Forest Engineers:

- Minimum 3 years of experience in layout and design of conventional and helicopter based harvest systems.
- Experienced in Road Permit and Cutting Permit preparation.
- Possess a technical diploma or degree in forestry.
- Have the ability to train and lead junior engineers.
- Able to communicate and work well with others in a professional environment.
- Need to be in good physical condition.
- Current knowledge of Roadeng, Trimble GPS operation, Microsoft Word and Excel.
- Valid driver's license
- Level 1 First Aid

Junior Forest Engineers:

- Minimum 2 years of experience in layout and design of conventional and helicopter based harvest systems.
- Able to run and plot deflection lines.
- Experienced in boundary, road, and stream traversing.
- Possess a technical diploma or degree in forestry or have significant experience in this field.
- Able to communicate and work well with others in a professional environment.
- Need to be in good physical condition.
- Current knowledge of Roadeng, Trimble GPS operation, Microsoft Word and Excel.
- Valid driver's license

For those applying for the Junior Forest Engineer positions, although experience is an asset, we are willing to train the right individuals.

Please submit your cover letter and resume, with references, in confidence to Renewable Forest Services Ltd. email: r-f-s@telus.net

Only short listed applicants will be contacted.
