

Northern BC - Prince George Program Manager

Our Story

Strategic Natural Resource Consultants is one of the most highly regarded natural resource consulting firms on the West Coast. Strategic adopts an innovative and resourceful model of problem solving that can be seen in our technical expertise, project management, and planning. This belief in resourceful thinking carries into our implementation as well. We employ dynamic on-the-ground professionals across BC. Our personnel are industry leaders in resource and land management, professional forestry, construction support services, environmental science, geomatics, and remote site project development.

We are seeking a Program Manager to join our team. They will play a key leadership role within our existing team of professionals. The successful applicant is an inspiring, entrepreneurial and strategic leader with a passion for the Natural Resource sector. They need to be an effective manager and mentor, and be interested in tackling challenging projects, including business development.

Qualifications:

- » Registered with the Association of BC Forest Professionals as an RPF or RFT
- » Experience working in BC's Forestry industry for at least three years
- » Passionate about physical work in adverse conditions and is flexible towards camp shifts
- » Solid experience with cut block & road location reconnaissance, layout, & survey
- » Extensive knowledge of harvest & silviculture systems
- » A great written and verbal communicator, who is adaptable and positive towards learning new technologies and processes
- » Proven self-motivator that is well organized and possesses leadership qualities
- » Experience with Project Management

As a successful applicant, you will work closely with our junior staff to lead and develop them in the following skills:

- » Knowledge of forest legislation for both private and crown land
- » Navigation and map reading skills, GPS surveys and applications, and general computer skills
- » Knowledge of harvesting & silvicultural systems
- » Ensuring that employees are both results oriented & able to operate as a team
- » Demonstrating role model behavior on ethics & integrity as well as positively promoting company culture
- » Experience working around trucks, ATVs, boats, snowmobiles, float planes, & helicopters

We pride ourselves on maintaining a **safe, respectful** and **fun** work environment that promotes values such as teamwork, professional accountability, and work/life balance.

We offer a competitive compensation package with comprehensive benefits for full-time employees, matching RRSP contributions, and opportunities for professional development.

Applications will be accepted until Friday, May 4th, 2018

Please apply with confidence by forwarding your resume and cover letter by e-mail (as an attachment in PDF or MS Word format with "Northern BC Program Manager Application" in the e-mail subject line) to employment@snrc.ca.

We would like to thank all applicants for their interest; however, only those considered for an interview will be contacted. For more information regarding this opportunity, please e-mail above address.
