Intermediate Field Engineer Opportunities

Our Opportunity

Strategic Natural Resource Consultants Inc. is looking for Experienced Field Engineers to work with to develop in the profession of Natural Resource consulting. They will play an important field-specific role with our existing team of professionals within our Timber Development and Engineering Operation. The successful applicants are enthusiastic, hard-working individuals with a passion for working outdoors while supporting our teams on project and client deliverables. Effective communication and a strong work ethic are instrumental to this role.

Qualifications:

- » Degree or diploma is considered an asset
- » Knowledge of forest engineering and timber development
- » Knowledge of harvest & silvicultural systems
- » Physically fit and interested in working outdoors year round
- » Navigation and map reading skills, GPS surveys and applications, and general computer skills (including MS Office, RoadEng and ArcGIS) (considered an asset)
- » Registered or eligible for registration with the ABCFP (considered an asset)
- » Experience working around trucks, ATVs, boats & helicopters
- » Must be able to work camp shifts

We pride ourselves on maintaining a **safe, respectful** and **fun** work environment that promotes values such as teamwork, professional accountability, and work/life balance. All applicants must be enthusiastic workers and learners who thrive and excel in a team environment. Positive attitude and dedication to workplace safety are critical to your role with our team.

We offer a competitive compensation package with comprehensive benefits for full-time employees.

Visit our website at www.snrc.ca

Applications will be accepted until position is filled.

Please apply with confidence by forwarding your resume and cover letter by e-mail (as an attachment in PDF or MS Word format with "Intermediate Field Engineer Application" in the e-mail subject line) to employment@snrc.ca.

We would like to thank all applicants for their interest; however, only those considered for an interview will be contacted. For more information regarding this opportunity, please e-mail above address.
