

The **Teal-Jones Group**TM

Operations Engineer

Do you thrive in a dynamic and challenging environment with opportunities for continuous growth and development?

When you join the Teal-Jones Group, you are joining a leader in the industry. The entrepreneurial spirit embedded throughout The Teal-Jones Group of companies started more than 60 years ago and today the company prides itself as being the largest privately held forest products company operating on the West Coast of Canada. We have built our success and continue to grow.

We provide a dynamic environment with competitive compensation. We encourage innovation and growth in a fast paced environment.

We are currently recruiting for the position of an Operations Engineer. This position will be located at our Fraser Valley Operation working out of our Head Office in Surrey. Regular travel to our logging division at Pitt Lake will be involved.

Primary duties/responsibilities are to:

- Coordinate/Supervise engineering activities for a variety of harvesting systems including hoe chucking, helicopter, cable and mechanical logging with a combined harvest of approximately 100,000 m³;
- Prepare associated Stumpage Appraisals and Cutting/Road Permits;
- Assist in Higher Level Planning/Administration/Implementation of Forest Stewardship Plans, Landscape Unit Plans, Licenses of Occupation/Leases and Special Use Permits;
- Implement the Company's Corporate Management System and Safety Management System to workers on the ground;
- Liaison with local First Nations;
- Prepare log End Use Sort/Species forecasts.

The following qualifications are considered necessary to effectively undertake this position:

- Familiarity with the Legislation and Regulations governing forest practices in BC;
- Strong background in coastal/steep slope engineering and harvesting operations;
- Competent with basic computer applications with a working knowledge of ECAS;
- Have excellent interpersonal and communication skills, be self-directed, and motivated, with the ability to organize and direct projects and personnel;
- Have a valid class 5 driver's license.

The Teal-Jones Group Offers:

- A competitive wage and benefits program;
- A commitment to safety standards;
- A collaborative and respectful work environment.

Apply Today:

If you are currently qualifying for, or registered with, the Association of BC Forest Professionals as a Professional Forester (RPF) or Forest Technologist (RFT) who will enjoy a highly challenging career, please forward your resume to the attention of Mr. John Pichugin, RPF by e-mail at forestrycareers@tealjones.com

We thank all candidates for their interest; however only those selected for an interview will be contacted.
