

Assistant Engineer

Do you thrive in a dynamic and challenging environment with opportunities for continuous growth and development?

When you join the Teal-Jones Group, you are joining a leader in the industry. The entrepreneurial spirit embedded throughout The Teal-Jones Group of companies started more than 70 years ago and today the company prides itself as being the largest privately held forest products company operating on the West Coast of Canada. We have built our success and continue to grow.

We provide a dynamic environment with competitive compensation. We encourage innovation and growth in a fast paced environment.

We are currently recruiting for the position of an Assistant Engineer. This position will be located at our Fraser Valley Operation working out of our Head Office in Surrey. Regular travel to our logging division at Pitt Lake and the Fraser Valley will be involved.

Primary duties/responsibilities are to:

- Assist in engineering activities for a variety of harvesting systems including hoe chucking, helicopter, cable and mechanical logging;
- Assist in preparing associated Stumpage Appraisals and Cutting/Road Permits; and
- Assist in the implementation of the Company's Corporate Management System and Safety Management System to workers on the ground.

The following qualifications are considered necessary to effectively undertake this position:

- Familiarity with the Legislation and Regulations governing forest practices in BC;
- Strong background in coastal/steep slope engineering and harvesting operations;
- Competent with basic computer applications;
- Have excellent interpersonal and communication skills, be self-directed, and motivated; and
- Have a valid class 5 driver's license.

The Teal-Jones Group Offers:

- A competitive wage and benefits program;
- A commitment to safety standards; and
- A collaborative and respectful work environment.
