About Tolko

We are a leading manufacturer of a wide range of forest products for customers around the world. For nearly 60 years, our family-owned company is recognized by our customers and business partners for delivering reliability, flexibility, efficiency and quality. With the third generation of family leadership, we're continuing that legacy in our mills throughout Western Canada.

At Tolko, our values, vision and mission aren't just what we believe. They're how we work, live and serve our customers every day. Fundamental to our success is a committed workforce that thrives on change, building relationships, and a drive toward excellence.

We are committed to the well-being of future generations through responsible operational and environmental performance. This commitment applies to all aspects of our business. We hold third-party certification on the forestlands that we sustainably manage in British Columbia, Alberta and Saskatchewan. And we strive to play an active and constructive role in the communities where we live and work.
